

REMARKS

Claims 16-30 are the only claims pending. Said claims have been presented to reduce filing fees by eliminating multiple dependency, improper multiple dependency, improper multiple ranges for variables and to provide minor clarification.

The newly added claims are supported by originally filed claims 1-15. No new matter has been added.

Applicants aver that the claims are now in proper form for examination. An Action on the merits of the claims is respectfully awaited.

Respectfully submitted,
